

2016/2017 Patient Experience Survey

“I am grateful for the NP Clinic! They have been so amazing to myself & my daughter. They take the time to hear all our concerns.”

“All is good, I have never had a problem. The clinic has always been so accommodating and meet the individual needs of all our family members.”

“Courteous, professional, friendly, and always seem to be in a good mood.”

“It is an absolute joy coming to the clinic!”

“They provide “full body” care with in-house referral to a Dietitian, social worker, etc...”

“I have never been happier with my health care provider, they spend lots of time with me, and never rush the appointment.”

“Trust, and friendliness, they give me confidence in my care.”
